

# Troost MAX opens 1-1-11

Bus Rapid Transit service will start in the Troost corridor in January. In the meantime, customers are already enjoying new MAX stations as they watch the corridor transform.

Troost MAX will feature:

- More seating at MAX stations
- New well-lit MAX stations
- Two new park-and-ride lots – 31<sup>st</sup> and 95<sup>th</sup> streets
- New MetroStation at 75<sup>th</sup> St.
- Green Solutions:
  - Hybrid-electric buses
  - Recycling bins
  - All electric service truck
  - Rain gardens to improve water quality
  - Pervious concrete at the 31<sup>st</sup> & Troost Park-and-Ride

## Things to Know about Troost MAX

To provide more convenient and rapid service, MAX Bus Rapid Transit runs differently than regular Metro service. The following are service and route changes that will occur with the introduction of Troost MAX:

- **Troost MAX will make limited stops.** MAX Bus Rapid Transit service is faster because it makes limited stops at key locations and intersections with connecting routes.
- **North of 75<sup>th</sup> St., Troost MAX will stop only at MAX stations and will not serve #25-Troost local stops in between MAX stations.**
- **North of 75<sup>th</sup> St., Troost MAX will provide service every 10 minutes on weekdays.**
- Troost MAX will serve two new park-and-rides - midtown at 31<sup>st</sup> St. and in south Kansas City at 95<sup>th</sup> & Troost.

- **South of 75<sup>th</sup> St. to Bannister & Drury, Troost MAX will serve both MAX stations and local stops.**
- **North of 25<sup>th</sup> St., Troost MAX will travel a different route than the current #25-Troost local route.** Troost MAX will serve Hospital Hill and downtown using Charlotte and Holmes (Consult map on back.). Please note Troost MAX will not travel on Troost between 11<sup>th</sup> and 18<sup>th</sup> streets.
- In downtown, the Troost MAX route will end at 11<sup>th</sup> & Wyandotte (not 12<sup>th</sup> & Central where the #25 ends) and stop only at MAX stations.

## Changes Coming to #25-Troost Local

- **Route #25-Troost** will continue to provide service at all local stops, but with a modified schedule and routing.
- **Route #25-Troost** routing into downtown will change. Route #25 will operate on Troost Avenue between 25<sup>th</sup> and 11<sup>th</sup> streets, providing front-door service to the Health Dept. on 24<sup>th</sup> & Troost. Route #25-Troost will no longer travel on Holmes and Charlotte via 18<sup>th</sup> St.
- **In Downtown, #25 Troost** will use its current routing and make all stops.
- Current route **#25-Troost "Rockhill Trips"** via Gregory, Holmes, Rockhill and Meyer will be discontinued.
- Route #25 Troost will only operate to 83<sup>rd</sup> & Troost, except on week-ends when it will go all the way to Bannister & Drury. Also on weekends, MAX will end at 83<sup>rd</sup> & Troost.

## Other Routes Will Also Change In January 2011

Service improvements are also being made to routes #108-Indiana and #123-23<sup>rd</sup> St. to complement the new Troost MAX and #25 service:

- **Route #108-Indiana** will have new routing and schedules.
- **Route #108-Indiana** routing into downtown will change to provide additional local service on Troost between 18<sup>th</sup> and 11<sup>th</sup> streets. Route #108 will make passenger stops between 18<sup>th</sup> and 11<sup>th</sup> streets along Troost, and no longer travel via 18<sup>th</sup> & Grand into downtown.
- **Route #108-Indiana** will be extended to the Shops on Blue Parkway.
- **Route #123-23<sup>rd</sup> St.** will have new routing via 18<sup>th</sup> St. This change replaces #108-Indiana service on 18<sup>th</sup> St. between Troost and Grand.

**Big improvements slated for Troost corridor!**

Starting Jan. 1, 2011
