CA's Russ Gottesman Loves Transit!

"Public transit to its core is the American Way. For years, transit has been an economic engine of this country, used to move both people and freight, employing thousands while contributing to community sustainability.

That's one of the many reasons why #ilovetransit."

CA's Adina Salah Loves Transit!

"The transit industry is always focused on bettering America's communities. As a lifelong transit advocate, I'm fortunate to be able to fold my passion for transit into building relationships with these great organizations. **That's why I love working in this industry, and why #ilovetransit.**"

CA's Derryl Glaze Loves Transit!

“Transit gets me to and from the stadium without a hitch! I skip parking, enjoy the ride over and get to the game on-time, every time with public transit shuttles. **That’s why #ilovetransit.”**

CA's Ann Berger Loves Transit!

"Transit is the ultimate multitasking tool in an on-the-go professional's toolbox! I can send emails, make calls... basically do my entire job on a bus. Cars don't provide that luxury. **That's why #ilovetransit.**"

CA's Nate Brinkman Loves Transit!

“What’s not to love about transit?! It saves travel time and the headache of driving in traffic. It saves money on gas, insurance and car payments. It’s a sanity saver, and it’s a no-brainer! **That’s why #ilovetransit.**”
