

We're on the line.

Experience an innovative, new way of getting around. Feel the momentum of our community beginning to build. With Silver Line, we're moving in a new direction. Now is your chance to see how quickly we get there. **Boarding begins August 25th.**

BLURRING THE LINE BETWEEN BUS AND TRAIN

The Silver Line is like a light rail system on wheels, transporting commuters north and south on Division from 60th to Michigan, looping through the busiest part of Downtown Grand Rapids.

RAISING EXPECTATIONS

The raised platforms at each Silver Line station make boarding easy and accessible for everyone. When the vehicle pulls up, both the front and rear doors open to allow for simultaneous boarding and exiting.

LOCAL HOTSPOTS

Now staying connected is even easier with free Wi-Fi on all Silver Line buses. So grab your smartphone, tablet, or laptop to work, chat, or surf the web while we do the driving.

To learn more about Michigan's first rapid transit system, visit ridetherapid.org/silver-line.
